## Mission Moments

The missions theme for February is Alabaster. Do you have an Alabaster box sitting on your night stand at home? Do you put your loose change in it? Do you know why?

The Alabaster Offering provides funds for property and buildings around the world. While we understand the church consists of the people of God and not a building, buildings erected for the purpose of ministry help provide a sense of permanence, functionally enhance ministry efforts, and convey an attitude that the Church of the Nazarene intends to "put down roots." Alabaster funds help provide land for many Work & Witness projects, and the entire Ala-

baster Offering goes toward the purchase of land and construction of churches, schools, medical facilities, and homes for missionaries and national workers.

The Alabaster Offering gets to the mission field via several avenues. The most widely used is the Alabaster Box. Individuals are challenged to regularly contribute the cost of items they desire but do not need. The boxes also serve as reminders to pray for those people who will benefit from Alabaster buildings.
