

Happy Birthday

By LaVerne Kling

Don't you just love birthdays? We celebrate days, years, ages, and life with gifts of love. We've just recently celebrated the 246th birthday of the United States of America. Ever notice how we celebrate these events with fire? -- lighted candles, fireworks. Well, Pastor Don has been messaging us about another birthday that started with fire -- the awesome birth of the Church on Pentecost Day, 50 days after Jesus' resurrection, some 2000 years ago. [Acts 2:1-4] This "Church" is the body of believers on earth, past present and future, whose confession of faith and hope is in Jesus Christ. Pentecost day this year was June 5, and Pastor's enthusiasm and clarity in presenting the Pentecost experience to us is heartfelt. You won't want to miss these messages -- the summer heat is on and Pastor is on fire too with the Word of God for us.

Just as we give birthday gifts of love to family and friends, God gives the gift of the Holy Spirit to all who would believe and receive his son Jesus Christ. [Acts 2:38] That Spirit of God then dwells within believers to empower them in their new spiritual life. [John 14:16] The Holy Spirit burst onto the scene as tongues of fire on Jesus' disciples, and is still the unstoppable force active in the world and in the Church. The early Church witnessed this Holy Spirit power and came to anticipate miracles unraveling daily. [Acts 2:43] Imagine living expecting to see what God is up to -- as Pastor envisioned, the early Church leaned in, looking forward to, anticipating wonders, God at work among them. Really cool visual, Pastor! And we have that gift of God too -- his Holy Spirit power living within us causing our faith to be bold, alive, vigorous, unshakable, leaning in to hear the Spirit of truth as we say "Lord, what are you up to today?" Hallelujah!

There's yet another birthday to celebrate. As seen in Acts 2, the Holy Spirit is the power of the Gospel to save those who believe. [Romans 1:16] Unfortunately I can't say resistance is futile ... because God gave each of us free will to trust Jesus Christ as our Savior ... but thank God he is not willing that anyone should perish and the Holy Spirit continues to pursue and soften hearts to the Gospel message (2 Peter 3:9,15 NLT). My personal Salvation/Born-Again birthday is June 4, 1981. No bells or whistles, just a deep permanent peace with God that finally answered my questions, "what's it all about" "why am I here" "where am I going". Remember yours? And if you haven't experienced that new spiritual birth, you can share in that divine inheritance right now -- the evangelist Franklin Graham gives a simple prayer: "God, I'm a sinner. I'm sorry, forgive me. I believe Jesus Christ is your Son and I want to trust him as my Savior and I'm willing to follow him as my Lord from this day forward forever and I pray this in Jesus' name." Reverend Graham goes on to say that God is willing, we just have to ask.

And so the Church grows. Happy birthday Church, Happy birthday sisters and brothers in Christ!
